

CLEVER TRAVEL

SMART BUSINESS TRAVEL AND EVENTS IN THE UAE

With over 12 years of local experience in Dubai and the UAE we offer affordable and well thought out travel arrangements, tailored to the client's wishes and budget.

Through our reliable network of partners, we put together impartial programs adapted to the international market, where our own coordination on location is always included.

Our hotel prices are transparent through our global network HelmsBriscoe, one of the world's largest sourcing companies for groups and events.

CLEVER TRAVEL

OUR VALUES

To ensure a long term partnership, we continuously give you an honest and up to date view of the destination and our activities, we only promise what we can keep.

We work exclusively with serious partners locally. It is important for us that drivers and guides receive a reasonable salary while being able to deliver a consistent service.

Our owner is personally involved at every step from request for pricing, quotation, booking and payment to execution and delivery on site.

Due to our close collaboration with local partners, the majority of our proposals for activities and hotels are ones that we ourselves have experienced.
