Key Responsibilities:

- Collaborate closely with clients to ascertain their requirements, preferences, and budget constraints, fostering strong client relationships built on trust and mutual respect.
- Generate innovative design concepts that harmonize form, function, and aesthetics, translating clients' visions into captivating interior spaces that inspire and delight.
- Develop comprehensive design plans encompassing layouts, color schemes, furniture selection, lighting, and materials, ensuring alignment with project objectives and client expectations.
- Utilize industry-standard design software to create immersive 3D renderings, mood boards, and sample boards, facilitating clear and compelling communication of design ideas to clients and stakeholders.
- Source and curate furniture, fixtures, finishes, and accessories that enhance the overall design concept, leveraging your keen eye for detail and discerning taste.
- Collaborate seamlessly with architects, contractors, and suppliers to orchestrate seamless project execution, from concept development to final installation.
- Generate meticulous project documentation, including detailed drawings, specifications, and schedules, to guide project implementation and ensure adherence to quality standards and timelines.

- Effectively manage multiple projects concurrently, demonstrating adept prioritization skills and a commitment to delivering exceptional results within specified budgetary constraints.
- Stay abreast of the latest design trends, materials, and technologies relevant to the UAE market, continuously enriching your knowledge and skill set to drive innovation and excellence in design.

#### Requirements:

- Bachelor's degree in Interior Design or a related field.
- Minimum of 3 years of professional experience as an Interior Designer in the UAE, with a robust portfolio showcasing your design prowess and successful project outcomes.
- Proficiency in industry-standard design software such as AutoCAD, SketchUp, and Adobe Creative Suite.
- Thorough understanding of materials, finishes, furniture, and lighting commonly utilized in UAE interior design, coupled with a discerning eye for quality and aesthetics.
- Exceptional communication and presentation skills, enabling effective interaction with clients, colleagues, and suppliers across diverse cultural backgrounds.
- Proven project management capabilities, encompassing the ability to multitask, prioritize effectively, and meet deadlines consistently.
- Strong attention to detail and a solutions-oriented mindset, coupled with the ability to work both independently and collaboratively as part of a dynamic team.
- Familiarity with local building codes, regulations, and standards in the UAE, ensuring compliance and adherence to best practices in design and construction.
- Fluency in English, both written and spoken; knowledge of Arabic is advantageous.
